

## RATE & PROCEDURE

Transportation of goods between countries take place for many reasons.  
We will explain our procedures and rates:

### **STEP1: Enquiry/Quote and fill booking form (can be downloaded online)**

The starting point for any export transaction is to send us an enquiry (filing the booking form), read the checklist and insure that you can get all the supporting documents required.

### **STEP 2: Proforma generation**

After completing and submitting the enquiry in detail, we will provide a Proforma Invoice.

The rates are as follows:

**R5.50 per kg = 0.00042 CMB (m3)**

**Basic minimum charge of 1000kg = 1 CMB (m3) = R5500**

Charges include:

- one (1) week free storage ( South Africa)
- two (2) days free storage ( Gabon)
- Customs Export & Documentation ( South Africa)
- Import Documentation ( Gabon)

### **Charges Not included:**

- **Collection: R 350 – R1500** (optional) we can collect your cargo from anywhere to our point of departure ( south Africa).
- **Packaging: R 350 – R1500** cargo can be packed or repacked before departure (South Africa).
- **Insurance: 2%** of the goods values (optional) whether Importing or Exporting, using airfreight or ocean freight for your international shipping, insurance covers loss and/or damage of cargo while it is in transit between the points of origin and final destination.
  
- **Import Duties and Customs Fees ( Gabon):**

### **STEP 3: Payment**
